

## **Attachment: Recruitment Materials**

The following document contains the full text that will be posted on the Prolific ([www.prolific.com](https://www.prolific.com)) online research platform to recruit participants for this study.

### **Prolific Study Title:**

Chat with an AI Companion and Share Your Feedback

### **Prolific Study Description:**

In this academic research study, you will have a brief, friendly chat with a companion AI named "Kagami" and then answer some survey questions about your experience.

### **What you will do:**

1. Complete a short background survey (2-3 minutes).
2. Have a 10-minute, text-based conversation with the AI.
3. Complete a final survey about your perceptions (3-5 minutes).

The conversation will be about general, everyday topics. There are no right or wrong answers; we are simply interested in your experience. You are required to use a desktop or laptop computer.

### **Payment:**

- **Reward:** \$3.50
- **Estimated Completion Time:** 15-20 minutes
- **Estimated Hourly Rate:** \$10.50 / hour

### **Eligibility Criteria (To be used for Prolific Pre-screening):**

- **Age:** 18+ years
- **Location:** Residing in the United States
- **Language:** Fluent in English
- **Previous Participation:** Have not participated in pilot testing for this specific "Kagami" study.
